Product highlights

Charge AA and AAA
The charger is designed to charge AA and AAA batteries.

Charge in pairs
The charger is designed to charge two or four batteries at the same time.

Ready for worldwide use
An AC/DC adapter that can handle input voltages of 100 to 240V. By simply adding a plug converter for the desired country the charger can be used worldwide.

Smart charge protection
The special sensor detects when the batteries are fully charged and switches over to trickle charge to keep your batteries full and ready for use. The overcharge protection prolongs the life of your batteries by preventing the damage caused by overcharging.

Travel protection cover
The durable cover protects the product from knocks during travel.

Trickle charge
Rechargeable batteries all suffer from self-discharge over time. The automatically-started trickle charge keeps your batteries full and ready for use when they are kept inside the charger and in the power outlet.

2300 mAh MultiLife AA included
The 2300 mAh of energy keeps your audio player or digital camera going longer.
